How to be Kinky is a primer on the multifaceted world of kink and getting into BDSM play. It is for beginners and novices, couples and singles. Here, Morpheous tackles topics that aren't regularly addressed in other sex etiquette books. Most books on BDSM lean heavily towards clinical issues and tools/techniques. There are books on being a top or a bottom, but the wide spectrum of human dynamics in BDSM play is not covered. This beginner's guide addresses all aspects of enhancing your sex life with kinky play. Singles and couples who are new to the scene will appreciate material on the basics of BDSM play and role playing, how to turn your bedroom into a den of iniquity, discovering kinky uses for common household objects, proper protocols and etiquette at fetish events, the physiological and psychological aspects of pleasure and pain, and how to maintain physical and emotional safety during play. This enhanced second edition is reworked in full color, with gorgeous and sexy photographs, as well as 15 easy to follow photo essays. Communication, fun, and safety are at the forefront of this top-selling beginner's guide, and once you've finished you'll be wondering How to Be Kinkier!
