

International Financial Reporting Standards: A Practical Guide - , Darrel Scott

[DOWNLOAD HERE](#)

"Now in its sixth edition, and with previous editions translated into 15 languages, this publication gives readers a broad and basic understanding of the key issues for each International Financial Reporting Standard. It summarizes each standard, providing a quick reference for managers and executives in the private and public sectors who may not have a strong background in accounting. This edition includes material of potential interest to the financial analyst. Most chapters also contain exercises which illustrate the practical application of key concepts in a particular standard. This provides the non-technical reader with the tools to participate in discussions on the appropriateness or application of a standard in a given situation. The reader can also evaluate the effect that applying a given standard will have on the financial results and position of a division or an entire enterprise. All of the accounting standards issued by the International Accounting Standards Board (IASB) through September 30, 2010, are included in this publication." Author: Van Greuning, Hennie Author: Scott, Darrel Author: Terblanche, Simonet Publisher: World Bank Publications Illustration: N Language: ENG Title: International Financial Reporting Standards: A Practical Guide Pages: 00000 (Encrypted PDF) On Sale: 2011-03-02 SKU-13/ISBN: 9780821384282 Category: Business & Economics : International - Accounting Category: Business & Economics : Accounting - Financial
