Fusion in the truest feel of the give voice melodies matrimonial to wide-ranging grooves. Just bare good music. 14 MP3 Songs JAZZ: Jazz Fusion, JAZZ: Worldwide Fusion Asi (aah-see) Songs Details: Asi (aah-see) from the Swahili dialect, meaning "it's obvious". And we are obviously just trying to make good music. "We are not attempting to reinvent the wheel, just trying to put a different spin on it." Asi (aah-see), is a New York based band whose instrumentation might be familiar, but whose approach to music is both wide-ranging and different. All of the bands material is original and written by the groups co-founders, Kendall Scott (guitar/keyboards) and Alonzo Wright (saxophone/flute/percussion/wind synth). Asi (aah-see) is joined on this project by Gene Lake on drums (David Sanborn, Steve Coleman, MeShell N'degeocello), Reggie Washington on bass (Branford Marsalis, Steve Coleman, Roy Hargrove) and Jeffery Haynes on percussion (Pat Metheny, Cassandra Wilson, Lizz Wright) "I have always felt that a book is not a book until it has be read, and with this recording I think the same sentiment could be applied. With the writing, playing and recording of this music, the process is only completed when it is listened to and shared. Please enjoy this chapter from the book of "Asi (aah-see)," COMING SOON !!! "BITZ OF PIECES" ALONZO WRIGHT'S SOLO PROJECT featuring: Buddy Williams, Reggie Washington, Onaje Allan Gumbs, Bashiri Johnson, Will Downing, Marvin Sewell, Vincent Henry
