Go ahead and buy atman by dhruva lance, it will completely pay off! on the album art: When I was a kid I listened to u guys with all my heart and I would cry and cry because of the beauty found in your music. My spine would shake and tremble, my heart would explode and soften, and a sense of meaning would touch me for hours. Because of your heart behind your music I began to realize that there was love inside of me as me. Soon I knew without a doubt that my love for this experience was bigger than anything else, and because of your music I decide to dedicate my life to this experience. Atman is the way I give back the flowers you have been planting on the filed of my heart. I thank existence I am not the only one! Dhruva This album is dedicated to Peter Gabriel, Bjork, David Gilmour, Jon Anderson, John Lennon, John Scofield, Bob Marley, Bach, and all the ones who have given fully, completely... The dedicatory above is inside my album's artwork. There is not much more for me to say

except that I have devoted to music with my heart and soul,I try to know mySelf a little more everyday, I love being alive! and I love what I do... All songs,lyrics,instruments,programing and mixing by dhruva. Mastered by Joe Lambert(Bjork,Nelly furtado,Ravi shankar) at Classic Sound Studios N.Y.
