Smooth, Funky, Soulful Sounds 11 MP3 Songs JAZZ: Acid Jazz, URBAN/R&B: Soul Details: Heart felt, smooth, and dramatic. Dre' Pauls is a wizard of creating music tracks. From down tempo to up tempo Dre' Pauls music gives a laid back feel Dre' Pauls weaves together elements of Jazz, Blues, Funk, Soul, Rock, Classical, World Music, etc to create a distinctive sound. Dre' Pauls signature sound has made a mark for him in the Chicago music scene. His mission is to spread the captivating vibes of his music beyond the local music scene. Dre orchestrates loops, sounds and/or samples with the passion of a mad scientist in a laboratory and emerges with a sound that is definitely pleasing to any ear. Dre' began his musical career as a DJ in 1980's during the Chicago House Music scene. Shortly after his success as a Chicago DJ, he ventured off into many different projects which included: becoming a member of a Hip Hop/Rap group called East of the Rock. Dre' was also involved in production and sound work for the following underground groups in Chicago and Dallas. Tha Positive Senda, The Mad Thinker, Trance the M.C., Infra Black, April Smith, Somethin Smooth and Poet, Continuous Faith. From an early age his love for music and dancing prompted him to take things a step further and create music. Ive always wanted to create music but didnt have the patience to learn to play an instrument, so I quickly discovered the art of fusing together elements of Jazz, Funk, Blues, Soul, Rock, Classical and World Music to create a distinctive sound. Dre' credits his biggest musical influences to Jazz and Disco because of their versatility. When asked What are you trying to accomplish with the release of your CD? Dre's response was I enjoy so many different types of music, I simply want to produce good quality music. Dre' Pauls musical approach has defined him as unique, diverse and versatile and is definitely someone we should look out for! drepauls@yahoo.com
