A unique blend of 4&5 part vocal fiddle harmonies MUCH,MUCH more...Bucks County(Pa.)Style. 9 MP3 Songs COUNTRY: Modern Country, FOLK: Modern Folk Details: ED Thierolf and BiLLY Kristofits ie: ED "N" BiLLY are proud to announce the completion of their 1st compact disc...Kinda Country (Bucks County Style). After many years of working together in commercial bands, they've discovered that,combined, they've been able to create a wealth of very unique highly marketable material. In order to maintain total control of their creative abilities, they have researched, built, equipped, and used they're own 24+ track recording studio to record, mix, master Kinda Country. They claim no animosity toward [THE INDUSTRY STANDARDS] or guidelines ways of doing business...They just feel that the ideas preferences they have that conflict with [THE STANDARD] ARE valid should NOT be compromised. " We decided to let our hearts, ears, years of experience in live entertainment guide us through this project." Between the two of them...they've done everything from 1 2 man acoustic shows...through small to major nightclubs...as well as major production concerts with name acts. "We like what we like...we feel our musical instincts are good...so we just let each song dictate it's own course as to instrumentation, vocals, harmonies, arrangements." Though not claiming any aversion to making a buck...they are sincere in pursuing their #1 priority of providing music lovers, everywhere, with a collection of songs that offer multiple focal points threading through each song. They feel this will enable the listener to enjoy various perspectives of the same song by focusing in on a different one each time. "We invite you to take a listen see what YOU think." OUR SINCEREST THANKS...ED 'n' BiLLY
