Good tracks for hiphop headz that like to party and listen to. 18 MP3 Songs HIP HOP/RAP: White-Boy Rap, HIP HOP/RAP: Hip Hop Details: You can also buy any song at itunes.com The Hip Hop industry these days seems to be dominated by the same artists making the same music. The underground still keeps it real, but most artists are greatly under produced and lack good beats and sound quality. Epix brings the underground to the masses with professional production and sound. He stays original and plays most of his own instrument rather than multi-samples on a keyboard. Although Epix is not signed to a big label he has done big things. He has done shows with big name artist like Obie Trice and Young Buck and released professional cd's which sell worldwide via the internet. His latest release "Love Me or Hate Me" is getting a great amount of recognition on the streets and radios, especially the single "Love Song". You will definitely be seeing more of this man in the years to come because, Love him or Hate him, he is the future.
