A mixture of alternative rock, ambient spirituality, and ethnic influences all melding together to create a beautiful, melodic, at times hopeful and haunting album. 8 MP3 Songs in this album (30:05) ! Related styles: POP: Ambient Pop, ROCK: Adult Alternative Pop/Rock People who are interested in Loreena McKennitt Mazzy Star Natalie Merchant should consider this download. Details: Frances Dave weave hypnotic and atmospheric music together that is at once wistful, nostalgic, and joyful. Together their beautiful, emotive sounds fearlessly explore deeply personal territory, and have the power to touch and to uplift. Their music is passionate, haunting, sometimes bittersweet and strangely comforting all at once. Joining Frances Dave are Kawal Arora and Casey Bauer on Drums and Violin. Kawal's complex, powerful drumming propels them on tracks like Taken and Something Unsaid, and then gives way to a more subdued feel with introspective numbers like Fevered and Farewell Serenade. Casey Bauer lends her fabulous violin talents to add a tinge of sadness and nostalgia to the overall tone of their music, and helps to create an atmospheric and soulful journey in this moving and deeply personal album. Frances Dave are: Mary Connors (Frances) -Vocals and Lyrics Andrew Carson (Dave) Guitars, Bass, Keyboards Arrangements Kawaldeep Arora Drums, Percussion and Arrangements Casey Bauer -Violin
