Related styles: EASY LISTENING: Ballads, EASY LISTENING: Love Songs People who are interested in Judy Collins should consider this download. Details: This is my second cd, another set of soft ballads that I have written. Most of them are sentimental songs about love lost, love returned, and true love waiting on the home front while duty and service takes someone away to foreign lands. Again, I have included a companion disk of instrumental versions of my songs for those times when soft mood music is just the thing to have to melt away into.
