The band is made up of six talented individuals from different parts of Asia : Jason Ho (guitars synthesizer), the band leader, is from Singapore; 'Alex' D Katsumata (bass) is from Japan; Pao Yen (flute, saxophone cello) is from Hong Kong; and Dylan 'Baba' Lye (guitars) Hassan Musafer (drums) and 'DC' Wijesinha (percussion) are from Sri Lanka. The music of 'Red Taurus' is a subtle fusion of flamenco, latin and jazz. This interesting combination is a result of the different musical background and styles of the band members, which lends a very distinctive sound and unique identity that is 'Red Taurus'. The band performs regularly in jazz clubs, arts houses and music lounges throughout Hong Kong, and has also performed in Singapore, Macau and China. One of the highlights of the band is a jam in Hong Kong with jazz great Nathan East. 'Red Taurus 2005' is the band's debut album, a collection of original tunes composed over the years. To date, this album best represents the band's work, which is best described as melodic, evocative, ethereal and sometimes meditational. This CD is best enjoyed during long haul trips, lazy Sunday afternoons, countryside drives, or in the solitude of your private apartment. The band is currently planning to tour Singapore, Kuala Lumpur, Colombo and Tokyo to promote the CD. You can visit our website at [jazzhothouseoriginals](#) or email us at jazzhothouse@yahoo.com.sg.
