

Mp3 Sakai - It Ain't No Miracle

[DOWNLOAD HERE](#)

A soul/R&B journey through life love. You can hear Sakai's voice on albums from Celine Dion to Curtis Mayfield to Tower of Power. Hear Sakai's voice soar on this her debut album and her critically acclaimed 2004 release "Dream Big"(cdbaby.com/cd/sakai2) 11 MP3 Songs URBAN/R&B: Soul, URBAN/R&B: R&B Pop Crossover Details: Singer Songwriter Sakai has known the power of music for her entire life. A Bay Area native, her artistry as a vocalist and songwriter has been influenced by a number of timeless artists. Natalie Cole, Gladys Knight and Chaka Khan have all impacted her appreciation and development of her own voice as a singer. As a songwriter, Sakai has been influenced by the songwriters who have penned lasting tunes as well as contemporary writers who push the envelope of today's music. These writers include Ashford and Simpson, Stevie Wonder, Lauryn Hill, Babyface, and Diane Warren. Sakai has had extensive recording experience, having appeared on recordings with Celion Dion, Steve Winwood, and Aretha Franklin. She has worked with platinum selling and Grammy Award Winning producers, Narada Michael Walden and Walter Afanasieff. Sakai has performed live with Tremaine Hawkins, Angela Bofill, and Narada Michael Walden. She has appeared on the internationally televised VH-1 Awards with Stevie Wonder, James Taylor, Stevie Winwood, and Chaka Khan. Sakai has teamed up with Family Tree Productions to produce her self-released LP, "It Ain't No Miracle." The album includes a variety of songs and musical styles from contemporary to classic. It is available from Sakai's personal website (sakaiworld.com) the Family Tree Productions' website (familytreeproductions.com), and of course here at cdbaby.com. Feel your own power of music through Sakai. Be sure not to miss her current 2004 release, the critically acclaimed "Dream Big" and her Maxi single "I Like" with 3 remixes and a Music video!
