Bubble-Rap: A totally fresh, cool and hip new amalgam of pop, rap and rock meant to appeal to both kids and adults equally with a modern, positive message. 14 MP3 Songs in this album (37:34) ! Related styles: KIDS/FAMILY: Children's Pop, HIP-HOP/RAP: Spiritual Rap People who are interested in The Beatles Dr. Seuss Eckhart Tolle should consider this download. Details: We are ERIN ELLWOOD, ERIC BARNETT and VINDO. We figured out awhile back that it was impossible to contain The Museum Of Self-Esteem within the boundaries of a physical building. It just seemed counter-intuitive that there would only be one MOSE on this whole entire planet. So we decided to install it in the airwaves via sonic textures and vocal gestures. That way everyone in the world could explore the museum on the same day and it would never get crowded. We hope that you enjoy it to the full extent of your imagination. All we want to do is to change the world... one song at a time, with no child left unkind.
