----- News The Streets ----- Un Reaper has been blazin Un World Records mixtapes and now has the release of his first independent album. Un World Records has sold HUNDREDS of mixtapes on tour dates in South Carolina, New Jersey, New York, and Maryland, just to name a few. Fans from NYC to Atlanta are feelin Reaper, and so are other labels. Un Reaper has already received attention from Sony Music, Ruff Ryders, and Def Jam representatives associates. The Reaper's beats have marked him as one of the country's most dynamic producers. The streets are bangin Un Reaper, join the movement. ----- The Album ----- "The World" is explained throught the eyes of Un Reaper. A unique yet all too common life story is laid out on the album. Pure emotion is brought out of the listener with subjects that range from gangsta influences, to sad and emotional life experiences, to straight up fun club bangers. This album is straight raw, yet controlled enough for your average hip-hop listener to enjoy and comprehend.

----- The Artist ----- The "streets intellectual" is here and keepin' it gutter. With every song, Un Reaper brings pure emotion upon his listeners and draws the crowd with catchy hooks matched with a melodic flow. His "straight to the point" street lyrics, bold attitude, and strong self confidence not only entertain his audiences, but they also give the listener a sense of 'bravado' to sing along with. Do NOT let this fool you, when listening to Un's lyrics you'll soon realize that his subject matter is of years beyond his age. A feel of maturity, intelligence and focus on every day emotions

with a blend of strong morals will leave the listener enlightened and inspired as well as entertained.

----- The Production Label ----- Un Reaper is a talented producer with a wide variety of bangin' styles. Every production will make the listener nod their head. Un Reaper lays his foundation on heavy drum bass combinations to create non-stop "bangers". He produces anything from crunk to street bangers to thought provoking smooth melodies. If you're looking for hard bass and knocking drums, you've come to the right place. It's nearly impossible to sit still while playing Un Reaper. Either you "feel" Un Reaper or you don't like rap music. ----- Bio Mission

----- Un Reaper, born Jamal Rose on July 26, 1985 in Baltimore, MD, is here to make moves. As a young entrepreneur, his focus is on improving the lives of his family and his team. Un Reaper is dedicated and determined to make it beyond the streets and live a healthy and positive life. He's a voice for the young, intelligent, and capable members of the next generation. Un World Records is the 'silence', the 'movement', the 'world'.
