Verbal KENT is the epitome of the D.C./MD/VA area, hype percussion laced-tracks and wordplay and lyricism at its best. 15 MP3 Songs HIP HOP/RAP: Rap, HIP HOP/RAP: Hip Hop Details: VOTE Verbal KENT mixtape is out, send me your address for a FREE copy!! My new CD drops on CD Baby in November (Vote Verbal Kent 2005). The cops aren't the D.C. areas Finest, Verbal KENT is. He does it all, raps as well as produces. Sample his tracks and recognize! Verbal Kent is a lyricist with versatility. The tracks are crafted to his flow and fits the moods for his topics. There are "hype" tracks for party chants (e.g., Ladies Hey, Fellas Ho!, Bounce and Pose), slower paced tracks where his skills as a lyricist shine (e.g., D.C. N****s, Interference) and tracks for the ladies (e.g., Hey Shorty, U Didn't Know?, Bounce Baby). My, personal, favorite is "Same Girl", listen and see why. The tracks keep going like a "Jerry Lewis telethon!" There isn't enough space to describe it, check out the CD and judge for yourself!
