Attending her neighbor's high school reunion wasn't exactly Nicole Sawyer's idea of a good time. But widower Joel Brannon had asked her along to help fend off his classmates' prying questions, and she couldn't seem to refuse him anything. Except after a few slow dances not to mention moonlight kisses Nic wanted more than a stolen weekend with a man she knew wasn't ready for a relationship. Or was he? Joel had loved and lost, but he wasn't quite ready to give up on the possibility that he'd find love again. Because the walls time had built around his broken heart came dangerously close to collapsing whenever Nic was near.
