Become our Affiliate And Get 50 Commission just for sending visitors to our web site! It is completely free to join this affiliate program and you can become an affiliate no matter where in the world you reside! How much money I can earn? For each sale of the Your Product Name (\$67) you get paid: \$33.5 Who pays me? An independent company called Clickbank(TM) handles the sales processing and payment to affiliates. To join this affiliate program you will need to sign up with Clickbank (details below), but this is free to do. When do I get paid? Clickbank sends out checks twice a month. However, there has to be a minimum of \$25 in your account before they will send a check to you (this means that you will receive a check after the first sale of our software from your site.) Clickbank has an online statistics facility with real time updates, so you can see how much commission you have earned at any time. The best thing to do is take a tour of the Clickbank site once you register.
