

King Bhumibol Adulyadej: A Life's Work

[DOWNLOAD HERE](#)

King Bhumibol Adulyadej of Thailand is the worlds longest reigning monarch. Indeed, his 65-year reign is one of the longest in world history, an achievement few would have predicted when the Thai king acceded the throne after the mysterious death of his brother in 1946. How did King Bhumibol revive the sinking fortunes of the Thai monarchy? Why has he become arguably the most revered king in Thai history? This illustrated biography tells that remarkable story. Beginning with an introduction explaining the unique history and traditions of the Thai monarchy, King Bhumibol Adulyadej: A Lifes Work offers a fresh and insightful account of his life, from his birth in America and education in Europe to his unexpected accession to the throne. Following him through the Cold War and Indochina War periods, the book shows how the king has used his position to help develop the country and its people while at the same time securing the status of the monarchy itself. King Bhumibol Adulyadej: A Lifes Work also includes insightful chapters on the often-misunderstood institutions that support the crown the Crown Property Bureau and Privy Council as well as essays on the controversial lse-majest law and the issue of succession.
