Folk/pop with captivating 2-part harmonies Sassy, intelligent storysong lyrics set to gently rocking, twangy melodies. 10 MP3 Songs POP: Folkly Pop, FOLK: Folk Pop Details: NYC folktwangpop singersongwriter Amy Speace's first CD, "Tattooed Queen", released with her first band Edith O., is sassy folk/pop, "warm and comforting like a cup of hot cocoa at the end of a long day" (Jim Testa, Jersey Beat). Named for Edith of Ohio, an 18th Century wild child, Edith O. was fronted by the syncretized songwriting harmonizing talents of Amy Speace Erin Sullivan, who had been performing together since they were both students at Amherst College. Born at a dank, lower east side theater benefit, opening for a flame-throwing, foul-mouthed, baton-twirling poetess, Amy Erin moved quickly to playing NYC clubs like Sine Cafe, Sidewalk, The Bitter End and CB's Gallery and garnered a loyal following. The women went their separate musical ways when Erin moved to LA with her husband and baby. Amy Speace is working on her debut solo release and now plays out with her band under her own name. A la The Story and the Indigo Girls, Edith O. is jangle and harmony, tunes that stick in your head. Quirky, sophisticated lyrics that toss modern stories of love loss through Alice's looking glass yet come out as familiar as your first best friend.
