

## Mp3 Bart Bryant - Revolution In The Puppet House

[DOWNLOAD HERE](#)

80's definition of "ALTERNATIVE", soft rock with hint's of jazz and blues, many different styles combined with soulful vocals and smooth production 11 MP3 Songs EASY LISTENING: Soft Rock, ROCK: 80's Rock Details: Bart Bryant is a singer song writer and guitarist extraordinaire. Bart's powerful and fluid vocals and mesmerizing guitar style has sustained his career for over 3 decades. Bart began his career in earnest in the mid 70's opening up for national R&B acts, including his first professional gig opening for BT Express. After completing high school, Bart performed throughout the Tri-State area and New England with his group "Current". The group performed up until 1988 when he released his first independent CD, "Revolution in the Puppet House" which received great reviews and led to his debut performance on MTV in November of '89. This project has great vocals, great sax solos, strings on top of great guitar songs, smooth production, melodies carried by conceptual lyrics, this project will tickle your ears
