Positive inspirational music with a jazz flair - exciting, yet soothing, and vocally enchanting. 13 MP3 Songs EASY LISTENING: Musicals/Broadway, JAZZ: Jazz Vocals Details: Bera touches listeners' hearts and minds with a breakthrough music CD filled with passion and love for animals and mankind. With a voice reminiscent of Aretha Franklin and Barbra Streisand, she sings ballads, jazz, gospel, Broadway, blues and more to encourage joy and positive vibes for our planet. According to John Setar, NARAS member and well-known studio musician, Voice for a Choice! has been nominated for a 2005 Grammy, because it has great import musically, lyrically and spiritually. This CD contains an unusual latitude of styles from one cut to the next, yet each song is artistic and meaningful. Having performed for 45 years with the best-of-the-best musicians, I can easily say this CD is a worthwhile musical collection of superior quality."
