Hip-hop;Soul 12 MP3 Songs HIP HOP/RAP: Alternative Hip Hop, HIP HOP/RAP: Hip Hop Details: The seed of rebellion is slowly taking root. On the frontline stands Blitz (b. Samuel Bazawule). With his first offering-"Soul Rebel." Blitz provides the balance that Hip-Hop has been lacking for awhile. Born and raised in Ghana, Blitz's first encounter with Hip-Hop was mind-opening experience. Politically charged, writhed with an agonizing ear for the truth-Public Enemy enthralled the young mind of Blitz, as did the socio-political poetry of KRS-ONE. Fast forward - New York City. Brooklyn to be exact. Placed deeply in the sounds and sights of the music, Blitz honed his skills lyrically as an MC. Sick of the mundane "assembly-line" nature of Hip-Hop, Blitz created his own sound. Taking cues from such artists as Miles Davis, Fela Kuti Mos Def, Talib Kweli and Dead Prez - Blitz bridges the gap between the soulful sounds of the streets and the ill-nature of politics. On his debut album, he analyzes the stale climate of Hip-Hop, which eventually led him to pursue higher education. Enrolling at Kent State Univesity gave Blitz a chance to better himself, not only mentally, but musically. Meeting with local producer and fellow student - M. Tilla - the duo collaborated on a number of projects. The end result - a sonic revolution - entitled "Soul Rebel." Opening for the likes of Slum Village, Dead Prez, Boot Camp Clik, Nappy Roots and The Clipse -Blitz - challenges the staus quo of Hip-Hop.
