

Mp3 Christopher Blackmon - Walk With The Wise

[DOWNLOAD HERE](#)

Children's music with grooves true to hip-hop, R&B and even straight ahead jazz. Chris Blackmon boldly goes where few children's projects have gone before. Fresh mind-grabbing hooks, coupled with time-tested Bible-based messages 16 MP3 Songs KIDS/FAMILY: Children's Pop, KIDS/FAMILY: Children's Storytelling Details: Children become what they learn they can become. They are equipped with the tools to succeed only if they learn - To believe in their God-given abilities To think positively about their lives and their futures To consistently make the right choices If left alone to find their own way - quite often they never do. Walk with the Wise is a new and lively tool you can use with children as young as 3 years to begin their lifes journey on a solid path. The Walk with the Wise CD tells the story of a young boys journey to the house of Wisdom in words and upbeat, sing-able music. It is 45 minutes of enjoyable entertainment that teaches children: Integrity Focus Faith development Wisdom principles and Biblical values Eight musical selections woven through a refreshing tale of discovery reinforce that, with defined direction and the wise counsel of God Himself, anyone can win at life. Arrow Mark Media focuses on one important goal to develop positive, useful and solid core values in todays youth. Their creative media with purpose philosophy leads naturally to developing, publishing and marketing wise innovative stories that teach integrity, honesty, commitment, self-esteem and faith. The upbeat and memorable contemporary soundtracks that accompany Arrow Mark Medias stories entertain todays youth as they are introduced to the tools they will need to grow and succeed. The companys products place real problem-solving power in to the minds and hearts of young people in a form the entire family will enjoy. Chris Blackmon, Creative Director, grew up playing piano and writing music in Cleveland, Ohio. People who understood the value of ministry to young people laid a great foundation in Gods word in Chris heart during his formative years. Chris is a graduate of Ohio State University's Jazz Composition program. He

has had experience as a youth and children's pastor at a large and growing church. There he witnessed that today's kids are media savvy consumers who look often to media images to learn how to make decisions, what to believe, and how to enjoy life.
