His brother Jake was often around being that there age difference were very close they both were sent to separate homes. 3 of his older sisters were also put in group homes and the rest were old enough to take care of themselves. This would not be an easy road from here on in life was torture. From being beat for any little reason, to sleeping on a cold garage concrete floor just cause he wasn't there real child. Rough times continued on for him after being hospitalized over a dozen times for seizures through out his childhood from details that are just to deep to get into but life goes on. Jan, 1992 Da Radus and 3 of his siblings were all took in by there aunt in Youngstown, Ohio which is there dad's sister. It seemed like the best thing that ever happened to him, until he knew that he was being kept for all the wrong reasons! this is when he learned that money was the root of all evil. By the time Da Radus was 9 his interest in music grew and grew until he was known to his family as kid wonder. Picking up on things faster than the average child.From playing the drums, playing the piano and even writing his own songs from the verses to the chorus he did the whole nine. Da Radus soon learned that he wanted to be a star visiting New Orleans made him see the star life when he was invited play with then child star Raven Seymone which was his best friend for sometime. Da Radus was able to hang out with groups like Special Generation, Hi Five, Another Bad
