

Mp3 Darn-I - Grown Folks Music

[DOWNLOAD HERE](#)

And adult oriented R&B/Soul album with jazz flavor. 12 MP3 Songs in this album (47:18) ! Related styles: URBAN/R&B: Urban, URBAN/R&B: Soul People who are interested in Keith Sweat Babyface Gerald Levert should consider this download. Details: Producer/Arranger Darn-L is back on the scene with Grown Folks Music which is the follow-up to his 2005 Jazz release Conversations Vol.1 Consisting of smooth R&B / Soul selections that will keep you grooving and thinking at the same time. The CD offers a little something for everyone of all ages and genres. The lyrics and songs speak of the many experiences that we go through as adults and even young adults and the lessons we learn as a result. These grown folks themes are complimented by smooth urban grooves and beats that highlight his experiences as an arranger/producer as well as the lessons learned from a variety of musical influences. Also featured on this CD are collaborations with Atlanta based producer Curtis (NaPhunk) Dallis, Miami based Producer / Songwriter Angelo Morris (Ms B Productions) as well as a host of other prolific writers and producers such as Otis Flowers, Margaret Reynolds (Revelation S.E.E.D), and Calvin McCoy. With the release of his second CD entitled Grown Folks Music, Darn-L introduces this new project with the infectious R&B Soul single AWOL. Co-Produced with Atlanta based producer Curtis Dallis, and enlisting the soulful guitar skills of Miami based Angelo Morris from Ms.B Productions (company of R&B Legend Betty Wright), this addictive groove will make your head bounce as you fall into the soulful vocal chants and orchestral Dirty South flavored instrumentation.This radio friendly single has the energy that will attract anyone in search of a soulful plea for resolution.
