Jazz guitar with something for most. a little benson a little pass, and a little keb mo' 12 MP3 Songs JAZZ: Traditional Jazz Combo, FOLK: Folk Blues Details: Eric Brazier has arrived. after 20 plus years at Rusty's jazz cafe on tuesday nites, loosing one of the most important tools of a guitarist, the forefinger on the fretting hand in 1985 in a cycling accident, Guitology is finally here. This was truly a labor of love and is to be looked at as a cronicle in the path of the one guitarist better known in toledo as the Kingbee. This is an ecclectic mix of stylings put together with something for most. Thanks for checking it out...
