Some say...No Doubt-meets-Outkast with a sprinkle of RATM here and there...don't let the hip hop-influs fool you: this is a kickass rock band with crowdrocking melodies in songs like STAR, SKINNYDIP + more.

\*GREAT songs-listen+pick it up.\* 6 MP3 Songs ROCK: Modern Rock, HIP HOP/RAP: Alternative Hip Hop

Details: On FOUR19's Malice In Wonderland EP Vol.I, the 4-piece rock band delivers a stellar collection melding gritty modern rock, banging hip hop grooves and more. At once raw and polished, FOUR19 earns both underground stripes (on songs like "Legend of the B-Boy," "Cherry Pie" and "Batter Up") and undisputable broad appeal (with songs like "Star" and "Skinnydip"). FOUR19's refreshing sound places them among heavyhitters like No Doubt, Incubus, Audioslave, Chili Peppers, Outkast, 311 and more.

That is, bands who successfully defy the parameters of rock, hip hop, punk and other genres, and drive their passions home with supersick live shows. .... \*\*

Baby price! \*\* ..... Especially good buy for: - people who

complain that too many bands and artists make records where every song sounds exactly like the last one - rock fans who dig on hard-to-groovier postmod rock - hip hop fans who are up for some hot rock with a fat beat - and - especially where "Star," "Skinnydip" and "Malice" are concerned - great buy for everyone who loves great songs with hot hooks, sung by a great voice to some great playing

..... WHO IS FOUR19? Anchored in the brilliant songwriting of founding Four19 bandmembers James (bass guitar,drums) and Juliana (lead vox), Malice In Wonderland Vol.I impresses from start to close and leaves listeners begging for more. They brought lead guitarist Jason and Bill on drums into the fold and are building a reputation for consistently smoking live shows. James got his start playing drums for various bands, then for his own band Four19, he picked
