Roots rockin' country, folk and blues- all the Country grit and edge yet with a penetrating female voice that's been compared to Lucinda Williams, KD Lang, Joan Baez and Emmylou Harris. 11 MP3 Songs

COUNTRY: Traditional Country, FOLK: Modern Folk Details: West Coast Music Award nominee Kat Wahamaa (pr.Va-Ha-Mah) is a Vancouver based performing songwriter who recently added a nomination as CAMEO female vocalist of the year to her growing list of credits. Her delivery everything from a wail to a whisper, she can caress or create havoc with what's been described as "a voice you can take a bath in." She is a gifted singer, songwriter and engaging performer with a sideways sense of humor. Kat has performed throughout Western Canada, Japan and in the United States at everything from concert halls, festivals and house concerts to rave responses.
