Nitti Recorded at Greyskull Studios and Surreal Studios Mixed by Shane Gue at Entropy Studios Mastered by Alex Lowe at Southern Living ATLANTA CONTINUES ITS RIDE TO THE throne of hip-hop. The latest phenomenon from the ATL goes by the name of Knock Diesel and he hasn't come to play. With his first full-length, Knock Diesel has added his name to the list of great acts in urban music. This dark and honest album is the perfect transition from the party atmosphere of summer to a cold, black winter. This isn't easy listening. Clubs, Gs, SUVs is a beautiful combination of both instrumental silhouettes, club rap, and thug stylings. The album tells the story of urban images from Atlanta's night-life. The cruising sounds of "Holla at Me", to the club beats in "Stripstar", Clubs Gs SUVs has it all. Knock Diesel is an intelligent and articulate artist who is obviously production savvy. Each song is mixed to perfection. Individual without straying from the recording's overall theme. Political messages and nasty sexual imagery, quick flow, and low-end beats, Knock Diesel is a genius. With the backing of

Medicine Man and Chris Davis, Knock Diesel may have assembled the next great hip-hop album to come from the capital of the South. -TJ Smith "southeast performer"
