

Mp3 L. Michele - You Would Be Here

[DOWNLOAD HERE](#)

Soulful beats, beautiful vocals, sultry melodies and charismatic personality. 1 MP3 Songs in this album (3:57) ! Related styles: URBAN/R&B: Urban, URBAN/R&B: Neo-Soul People who are interested in Brandy Alicia Keys India.Arie should consider this download. Details: Given that many new albums are mostly filler anyway, a consistently strong five-cut EP has equal value. Actually, it perhaps has more since you are left yearning for additional material instead of being disappointed by all the forgettable padding. L. Michele is a young R&B vocalist on the scene, but her ice-cool, soulful voice has the polish of a veteran. "Could It Be" and "I Can't Be" are soothing slow jams with enough ear-melting crooning to frost the windows. On "Could It Be," L. Michele combines both sexiness and class, somewhat of a rarity in these raunchy days. "I Can't Be," on the other hand, balances yearning for an old flame with the headstrong attitude of letting go. L. Michele's inspirations aren't difficult to trace. "Love" opens with reflective piano a la Alicia Keys, and "1,000 Words" has the sultry strut of Beyonce. However, L. Michele is no pale imitator; it's just that R&B has its limitations as a genre, and similarities to contemporary acts are inevitable. The production and mixing are slick enough to push L. Michele beyond her indie roots. With a proudly announced Brooklyn-based background, L. Michele was certainly raised in the right environment for the kind of cool-as-ice R&B that she specializes in. While living in the perfect place is never a guarantee of success, or a barometer of talent, there's no doubt that L. Michele has honed her skills. "You Would Be Here" is L. Michele's latest release and promises to please. Official Website: iamlmichele.com MySpace: myspace.com/singingshawnda
