The new album 19 MP3 Songs FOLK: Folk Pop, ROCK: Americana Details: If you were to bring a caldron of water to a William Topley boil, sprinkle in bits of Tom Wait's talking blues and toss in some Crash Test Dummies clever low grumble moan, you'd get good ole Lance Whalen. SPUN/Nashville "With a new album in hand, Lance Whalen is ready to sweeten your soul. On the Tracks is full of Lance's sincere, whiskeyesque vocals. Don't miss an opportunity to see him live in his hometown of Nashville, TN."

-MP3tunes.com "Ever Since Forever After, the long-awaited follow-up to Lance Whalens debut Shes Not Coming Tonight, furthers the young Nashville based singer- songwriters evocative, tender approach to stirring, soul-baring emotional landscapes. Ever Since Forever After is a bounteous cornucopia of heartwrenching Americana-influenced pop songs which yield new delights upon each hearing. A veteran technician/ instructor at the National Guitar Workshop with dreamy good looks and an acting background, Lance Whalen is the whole package." -leslie stewart media
