Ranging from power chords and feedback to pop jangle; the first album from Tucson's Lemon Merchants has it all. 12 MP3 Songs ROCK: 90's Rock, ROCK: Modern Rock Details: LEMON MERCHANTS is an alternative pop/rock band from Tucson, AZ. Powered by strong melodic grooves, their debut CD features everything from powerful feedback symphonies ('DRUGGED' - track 12) to jangling guitar and crying cello ('WISHFUL THINKING' - track 4); definitely something for everyone. This CD also includes both 'PREACHER' (track 8) and a 90's version of 'TAINTED LOVE' (track 11) which were released in 1995 as a 7-inch single. For their first full-length release, LEMON MERCHANTS teamed up with up-and-coming producer J'Kael. J'Kael's classic Pop roots and solid engineering helped create an album with much of the sonic warmth of the 1970's but still with a decidedly current guitar sound.
