This live album ROCKS. Recorded at the historic Club Congress in Tucson, this CD showcases new and old songs from Nick Luca and his fabulous band. 15 MP3 Songs POP: Beatles-pop, ROCK: Album Rock

Details: Lucas last CD, Sick of Love, moved the bands sound into rock territory and away from the jazzier stylings of their earlier incarnation as the Nick Luca Trio. Since that last release, with the addition of guitarist Joey Unger and drummer Ryan Janac (both from Tucson sonic-popsters Sunday Afternoon), the bands sporting a more driving, guitar-based sound. (And yes, Nick Lucas longtime bandmate, bassist Chris Giambelluca, is still here.) We thought it would be fun to capture Lucas evolution with a live CD, Coming In For A Landing, recorded this spring at a show at Tucsons beloved Club Congress. The set will be available digitally and sold at Luca shows. (Writers, let me know if I can send you a copy to check out.) Meantime, the guys are readying their new studio outing, slated for a Fall 2007 release. Producer Sean Slade (Radiohead, Hole, Dinosaur Jr, the Pixies) spent a couple weeks in Tucson recording the new CD with Nick and the guys at Wavelab. Cover songs on the new record include a Luca-ized version of Lou Reeds Walk on the Wild Side and Jonathan Richmans quirky I Was Dancing in the Lesbian Bar. The bands been performing both songs during gigs, and you can preview them on the live CD. Give a holler for more information. Id be happy to send you a copy of Coming In For A Landing to check out for review consideration.
