Harmonics and mixed tunings are bound to feelings and expression. 12 MP3 Songs FOLK: Folk Blues, EASY LISTENING: Background Music Details: Mark S. Greer. A prolific and versatile music creator. From solo acoustic guitar to jazz, world, beats, newage and beyond. A writer for the feel and spirit of whatever that may be at the moment. Originality overflows from this creative mind and heart. More than a song, an experience. A veteran performer of international stages has emerged with more compositional creations due largely to such great excessibility from the internet. The ability to write for yourself is a dream for any artist. Check it out you will not be let down. With over 1 million internet plays you will discover why people are listening. PETS is the first completely solo acoustic guitar CD by Mark with another soon to follow. New CD's are on the way from acid jazz, newage, blues and way beyond. Single downloads for the Pets CD are available at Apple/iTunes, MusicNow Napster. Mark, nice stuff. Country, classical, and funky, from studio, jazz, rock guitarist Carmine D'Amico, holder of 16 Grammy Awards. Official Website carminedamico On Pets- Just love the mood "Elliott Randall- Steely Dan guitarist" Official Website [elliott-randall.com/](http://elliott-randall.com/) "Mark S Greer is a top notch acoustic guitar player. Technically, he has all the chops, but, more importantly, his playing has the touch, feel and expression that captures exactly the right mood. In other words, his technique serves the music. And it's truly wonderful. If you love the acoustic guitar, you need some of this in your collection now." ACOUSTIC GUITAR WORKSHOP Official Website [acousticguitarworkshop.com/](http://acousticguitarworkshop.com/) your guitar work is beautiful, man...I don't get around to listening to too many folks on the net...always good to have a reason to go and listen...now I am a fan, buddy!!!! Howie Fritz Damn! you're excellent! What fine guitar work channeling a fine compositional mind. I'm impressed. Les Visible
