[DOWNLOAD HERE](#)

With her smooth exotic voice and most desired lyrics and sound, Myriam promises to quench your inner most desires for satisfying thought of love and contentment. 10 MP3 Songs URBAN/R&B: Contemporary urban, EASY LISTENING: Love Songs Details: Myriam was born in Atlanta, Georgia and grew up in Ellenwood, GA. Myriam knew since a little girl that God had given her the gift of singing, but it was not until she turned 11 years old that her talent really began to blossom. Like a great mystery, with enchanted looks, with voice as strong as a lion but soft and gentle as a dove. Myriam is a 17 year old singer/songwriter with a no limits imagination, creating her own style of music that captures the hearts of every person who listens to her creations, both young and old, she is also a great dancer, and produces music as well. As a child, Myriam listened to every type of music, from Celine Dion, Lauren Hill, Michael Jackson, Mariah Carey, Whitney Houston, Anita Baker, Tina Turner, Aretha Franklin, Diana Ross, Gospel singer, Carmen and many other great artists. Myriam had written over 75 songs before she realized that it was her time to start recording. She knew then that she was born to be #1 and has dedicate her life to her fans. After realizing that there was no turning back, Myriam started taking vocal lessons to enhance and exercise her voice. Her teacher is the greatest ever, Jan Smith. She own her own Studio in Atlanta, Jan Smith Music Studios. Myriam also went to Basement Artist Entertainment, to take Artist Development Classes. Myriam has performed in many venues, concerts, talent shows, showcases, open mics, the North Carolina Bimbe' Festival, Super Safe Sunday in Shreveport, LA., in clubs, and many other places in the USA. She has had her original music critiqued before a panel of judges with the Atlanta Chapter of the Recording Academy and received very high praises for both her talent and writing skills. Myriam records all of her music in Indio Sound Studio, in Atlanta, GA. She has also recorded at Patch Werk Recordings. Also, the great Alvin Speights has engineered on her recordings. When it comes to

Producers, everybody wants to work with her. Myriam's a very laid back artist and easy to work. Of course, this is what she loves to do, this is her life, music is where her heart and mind is. Some of her Producers are, Taufeeq from GA., J Dub who also Produces with P. Diddy, Seven Aurelius in NY., and many more. Presently, Myriam has written over 100 one hundred songs and has released her first album SHINE. Myriam is using Myspace as a way to reach out to her fans and to get her music heard, she is currently working on her second album . Her second Cd called "THE WORDS" will be coming out soon. Her current album SHINE is available.
