COUNTRY: Modern Country, POP: Pop/Rock Show all album songs: Still Life Songs Details: Hey, I'm
Patrick James I'm a songwriter from Batavia, Illinois, a suburb west of Chicago. I'm addicted to all things
songwriting. I write Country, Pop, and Rock music. But, I'm a country boy at heart. I have been in the
midst of a recording project, Still Life, that is focused on recording my portfolio of songs. Still Life is the
first of many to come. Currently, I'm trying to market 50 finished works, and adding new pieces constantly.
I've played Bass throughout my 15 years of musical development, also double on Vocals, Guitar, Keys,
and Drums. I aspire to be a published songwriter. Music, and Lyrics are my passion. I feed on original
lyric ideas set to sing able melodies. Oh yah, and I feed on ridiculous huge amount of Caffeine. Go
figure... My muse is forever writing. I can't sleep, because I write. When I'm awake, which is most of the
time, I can't focus, because I write. I will hear my first song hit the airwaves on the lips of a major label
artist. But, I can't do it without you. Without your support, love, comments, plays, respect, and advice I
can't pursue my dream. So, I Thank you in advance for helping me become the songwriter I can be. Your
inspiration guides me on this long, well traveled road. Thank you for checkin' out me, and my music!
Please, BUY STILL LIFE!
