The Mix of Latin-Caribbean rhythms driven by the engine of a brash acoustic guitar/La crudeza de una guitarra acstica, fuerza motora de una mezcla de ritmos Latino-Caribeos 13 MP3 Songs LATIN: General, EASY LISTENING: Mood Music Details: Panamanian born Pepe Calavera brings together a culture of Latin-Caribbean inspired rhythms with an array of sonic overtones, carried by an engine of acoustic force. Using a foundation of traditional latin guitar fair, and building layers of electronic sampling and beats, the music fluctuates from stripped down acoustic to upbeat dance styles. Every song is drenched in a lyrical clash of confessional, political, and social expression. Calavera fuses the traditional with the contemporary in a unique independent style bringing to mind a Manu Chao or Beck. Humbled and raw, the music breathes that realistic simple honesty of a traveling soul. Pepe Calavera es un msico de origen Panameo que mezcla diferentes influencias latino-caribeas, desde un formato totalmente acstico hasta una produccion completa con el uso de sampler, mezcla de beats y sonidos de guitarras muy latinas. El estilo independiente nos trae a la memoria a otros como "Manu Chao" o "Beck". Sus letras reflejan un apego muy grande hacia sus experiencias personales y memorias de esta vida. Es un canto a la simpleza, a la verdad sin adornos, a las condiciones humanas, a la realidad de un alma honesta y nomada. Pepe Calavera's "Organizate Y Lucha" CD was recorded at Solo Studios, Panama (Part 1). Live Session recorded at ZonAzul Studios, Radio10 88.1 FM, Panama (Part 2).
