Upbeat, Fun, Educational with a positive message. 10 MP3 Songs KIDS/FAMILY: Children's Pop Details: I have been doing educational programs throughout the midwest for about 17 years now. Almost a million kids have heard some of these songs. Music is a great media to educate kids. These songs are educational, upbeat, catchy and simple enough for kids to remember and understand. I have gottin some great reviews from parents who have told me that their kid has listened to my Cd every day for almost a year. Take a listen! I hope you enjoy!
