JAZZ TIMES "An engaging debut that puts yet another twist on the ever-evolving Latin jazz movement...an album of musical depth and aural delights." JAZZIZ "Zellon has opened up to jazz a cultural tradition that has been largely overlooked on this side of the equator." CD REVIEW "Zellon's composing and arranging skills are impressive throughout the album...based on Latin rhythms-from the familiar tango to the more exotic Afro-Peruvian festejo and lando...Its blend of jazz and Latin idioms is organic and original."
