The refreshing and anointed voice of Rose Belk has brought many into the very presence of God. It is unique, it is urban, it is contemporary but it is pure gospel. 11 MP3 Songs GOSPEL: Contemporary Gospel Details: God in His awesome splendor has ordained this space in time for Rose C. Belk, a recording artist, songwriter and minister of the Gospel of Jesus Christ. Surely, Rose has found her place as a phenomenal praise and worship leader. Rose began her singing career as a small child and gave her life to the Lord at the age of twelve. The youngest of eight children, Rose was most impressed by the love God has shown her. Her parents displayed the love of God and encouraged the children to sing to His glory. From this, she recognized her foundation in Christ and her God-given talent to sing. She was taught that Christianity is not a religion but a way of life. Rose has continued to grow, furthering her career by singing throughout the East Coast. She was a member of the Praise and Worship Team at Victory Christian Center (VCC) in Charlotte, NC for approximately 16 years and now serves as the VCC Praise Team Leader for the VCC Phase II Praise Team. Rose has opened for Helen Baylor and sang at many conferences, churches and conventions, and other special events. Rose is the recipient of the Bank of America and Cultural Calendars Heritage February 2000 award for Vocal Performance. Also in 2000, she released her first CD titled, My Song of Praise. Rose had the opportunity to minister with Ron Kenoly when she participated as a choir member for his Christmas video shoot. The sound of her anointed voice has brought many into the very presence of God. You will be moved by Roses new release, Simply Rose Nothing But Praise. Its unique, its urban, its contemporary but it is pure gospel. The Word-filled music combined with the anointing will destroy yokes and inspire you to grow deeper in the love of our Father.
