

Mp3 Sense Of Wonder - Open The Gate

[DOWNLOAD HERE](#)

You know that dream where Joni Mitchell and Nick Drake fall in love and write duets? They're laughing and singing beneath a willow tree, when Keith Jarrett offers to pour them a fine Belgian ale... Or did you just wake up listening to Sense of Wonder? 15 MP3 Songs FOLK: Modern Folk, ROCK: Folk Rock

Details: When was the last time you listened to a record? Not just in the background while you washed the dishes, or shuffling through your iPod at the gym I mean _really_ listened to it... No doubt it was a truly distinctive album that inspired you to turn off the TV, dim the lights, raise the volume, and _just_ listen Abbey Road, maybe? Joni Mitchell's Blue? Nick Drake's Pink Moon? "Open the Gate," this shining debut from Sense of Wonder, will send you scrambling for your favorite high-fidelity, googlephonic headphones. It has that mystical, transporting quality that begs you to close your eyes picturing blue skies, mossy riverbanks, and sun-dappled skin Through this "Gate" you'll find a beautiful winding path. A smile is there to guide you, sweet harmony on the breeze, and a witch in the shadows a fairytale landscape promising laughter, wisdom, and spiritual cleansing. CDBaby's streaming sample tracks (to the left) from Sense of Wonder will leave you wanting to treat yourself to the real thing the high-quality CD complete with its brilliantly illustrated booklet and lyric sheet. And in light of the Holiday season, you might also want to consider stocking up on gifts for your fellow audiophiles For a limited time, we are offering a 30 DISCOUNT if you order two or more copies of Sense of Wonder's "Open the Gate." That's just \$9.78 for one of this year's greatest discoveries! * * * "Rick Audrey share with audiences a pure and spontaneous zest for life and love. The joy and optimism they exude is contagious." Busy Graham, Class Acts Arts, Inc. "Their songs dance like fireflies under a willow tree. Delicious mix of harmonies with eloquent songwriting. One sip is magic." Katie Graybeal "Rick and Audrey infuse their grown-up songs with the joy of youth. The result: a magical balance of intellectuality and innocence to their songs and

performance that I have never seen matched. Absolutely beautiful." Brian Gundersdorf * * * Don't forget your 30 DISCOUNT when you order two or more copies! And when you put your new Sense of Wonder CD in for a listen, don't forget to dim the lights...
