"It's like Ray Price fronting The Attractions" - Terry Robb 13 MP3 Songs COUNTRY: Americana, COUNTRY: Alt-Country Details: Welcome to the Wasco Brothers CD Baby page. The Wasco Brothers roots are in Eastern Oregon. As kids, things were pretty good until Mama ran off with that steel guitar player. That broke Daddy Wascos heart and he beat up his parole officer and had to go back to prison. They sent little Ricky Bob down to Lubbock, TX where he lived with a family that sold tumbleweed Christmas trees. Little Jeff was sent to Austin, TX where he got a job with Juniors Modeling Agency as a clown nose model. Little Sydney got sent down to New Orleans where he became the baddest bass player on the bayou. Little Larry had to go to Estacada, OR where he started an after school business pouring concrete. Then, at night he played ukulele in a strip joint. But thats all behind us now and were back together playing our kind of music which sounds kind of like Ray Price sitting in with Elvis Costello's band. People who are interested in Johnny Cash Ray Price Steve Earle should consider this download.
