Acoustic, folk, singer songwriter 5 MP3 Songs FOLK: Modern Folk, FOLK: Power-folk Details: The new e.p. from singer songwriter Tom Mitchell. Produced by Lex Price , (Mindy Smith/Clare Burson) and featuring Lex, Kyle Andrews, Dave Jacques, Julie Lee among others, finds Tom at the top of his form. These five songs are set in an sparse production atmosphere where the song and the singer are out front and in your face. Tom has never sounded better and his writing is in the company of the best. Sing Out magazine called him one of contemporary folk music's best and he only gets better.
