

Mp3 Twaine - Love For Sale And A Soul For Rent

[DOWNLOAD HERE](#)

A laid back groove with nice harmonized vocals, wurlitzer piano, up-right bass and horn section, together with lyrics that really tell stories about personal stuff, life in general and the state of the world today. 12 MP3 Songs URBAN/R&B: Soul, POP: with Live-band Production Details: Twaine's music is inspired by soul, singer/songwriters and the 70s r&b. Artists like Bill Withers, Amos Lee, Lynden David Hall, Donny Hathaway and Terry Callier can give a hint of, not the sound perhaps, but the feeling and intentions of the music. In a livesituation you sometimes can see twaine as henrik sundqvist playing solo, or as a trio with upright bass and drums, or enforced with sax and trumpet.
