Three seconds is all it takes to turn a whole life around. And if anybody knows about bouncing back after disaster, it's Clare Wilson. She's had it with being married to a serial cheater, and no way is he getting another chance. Even her own son thinks she should have kicked his dad to the curb ages ago. Now she's done it for good, and Clare is finally feeling the rush of unadulterated freedom. But when a freak car crash lands Clare in the hospital, her life takes another detour. She might be banged up and bruised, but suddenly men are coming out of the woodwork. Even her ex is pining for her. It seems being an independent single woman is a powerful aphrodisiac. But amidst all the lust, the last thing Clare expects to find is love.
