

Water Balloon - Audrey Vernick

A warm debut novel about friendship and first love, from a popular picture-book author. Marley's life is as precarious as an overfull water balloon: one false move and everything will burst. Her best friends are pulling away from her, and her parents, newly separated, have decided she should spend the summer with her dad in his new house, with a job she didn't ask for and certainly doesn't want. On the upside is a cute boy who loves dogs as much as Marley does . . . but young love has lots of opportunity for humiliation and misinterpreted signals. Luckily Marley is a girl who trusts her instincts and knows the truth when she sees it, making her an immensely appealing character and her story funny, heartfelt, and emotionally true.
