Dear Friend, Heres a cool software package that allows people to create, edit and distribute their own ebooks and articles! After reading many forums and people asking how to create hyperlinks and pdfs, I decided to offer this software that makes it easier than ever to make that money making content we all dream of. Not only can you create your own content but you will have everything organized by grouping your content in niche categories. Now you can easily create, edit and distribute your own ebooks and articles. Here is what E-Writer Pro will let you do easily and effectively... Have everything you need in one software application. Generate PDFs with security options. Save security features used to generate PDFs. Create your own beautiful looking books or articles. Save books or articles in Word, RTF, Text or HTML. Open Word, RTF, Text and HTML for editing. Hyperlinks can be added making your Books and Articles even more viral. Complete Powerful word processor. Allow the reminder system to keep you informed when a special task needs to be accomplished. Backup all Books, Articles, and Reminders with one button click. Categorize your ebooks and articles into niches and sub-niches. You can use this software tool to build your business virally. One Article can make you thousands of dollars every year.

One Good E-book can make you a small fortune and in that E-book can be easily filled with your own links back to other products you are selling or to affiliate products you promote. Locked And Secured - Youll also have the functionality to secure your ebooks. Add a password as well as enable or disable printing, copying etc! Note: Requires the framework.
