

Mp3 601 - Night Train Express

[DOWNLOAD HERE](#)

My music is a freeform style, I have many influences, but I don't force my songs to take on any form, just let the heart and soul take command, 11 MP3 Songs in this album (55:49) ! Related styles: NEW AGE: Adult Alternative, BLUES: Blues-Rock People who are interested in Howlin Wolf J.J. Cale B.B. King should consider this download. Details: Night Train Express, Actually not a train at all!! What do you think it is?? This CD is just all home grown music, Blues if you will. But it's just an expression of the things we all experience in life, EZ Street is a place we all wanna live!! A free style of sound, remember 601 does all the instruments in the music you hear!! This Cd Introduces the Hammond B3 and Sax, and more Slide work, I hope you enjoy. And thanks to all my fans for your support, and kind emails,
