Catch AUSBOL and DEMO Live every Thursday night as your host on CHICAGO URBAN RADIO 1470 AM. 7pm 8pm. (773) 594-1474. 10 MP3 Songs HIP HOP/RAP: Hip Hop, HIP HOP/RAP: Rap Details: AUSBOL, a Chicago Southside resident, presents an enigma. He shows amazing depth that conceals a verbal chameleon who is able to summon up new styles at will to convey his moods and feelings. Like Rakim, the venerable rap icon who enlightened a generation of hip-hop heads said, MC doesn't just stand for "Masters of Ceremony", it also stand for "Move The Crowd", and that's just what AUSBOL does. Listening to AUSBOL is like hearing a hip-hop historian verbally condense a wealth of material stretching across spatial locations and time periods into one compact disc. In 1993, AUSBOL and his then partner in rhyme Napps created 3D the futuristic sci-fi world of rap. Through underground open mics and talent showcases 3D landed their first recording contract with Polydor/Polygram records. Finally, the chance to shine had come but their careers took a turn when their manager bounced with the signing bonus leaving AUSBOL and NAPPS out in the cold. With that 3D decided to part ways and take different paths. AUSBOL's primary style comes across on tracks such as "Poppa" and "Child Abuse," providing substantial, thoughtful soul on beats. With impeccable production from one of Chicago's elite "DEMO", Producer and President of West Boulevard Entertainment, puts AUSBOL's conscientious, moral-driven storylines in a perfect marriage that can squeeze tears from a stone. AUSBOL is the voice of your daily lives embracing the realism of life, and its day to day struggles. THANK YOU TO ALL WHO HAVE SUPPORTED AUSBOL!! IT IS REALLY APPRECIATED!!
