If you are looking for Therapeutic Music, look no further. We have it! Our CDs have been tested and are guaranteed. Mothers report: Babies fall asleep faster, and hard to soothe children experience solace (so do mom and dad). Our CDs even Calm the Wild Child. People suffering from sleep deprivation are also experiencing restful, relaxing, and stress free sleep. Too good to be true? Read on. Our CDs have been tested on children with special needs such as Autism and Attention Deficit Disorder (ADD). The results indicate, in many cases, an increase in the ability of the child to focus or redirect. Our CDs additionally help create a more tranquil atmosphere. If you or your child have trouble sleeping, give us a try. The Mommy I Cant Sleep CD is available now. Our second CD Calm the Wild Child will be available in October. As a recipient of the National Parenting Award our CD includes childhood favorites such as Somewhere over the Rainbow and Old McDonald Had a Farm. These favorites are mixed with unique nature sounds different from other Music Therapy CDs. The sounds include mooing cows, ocean waves, and the rhythm of a beating heart. Calm the WILD CHILD includes childhood favorites such as Take me out to the Ball Game and Ive Been Working on the Railroad. These favorites are mixed with sounds of a roaring crowd, the crack of a bat, and the rumble of a train rolling down a track. You have to hear it to believe it. Cat Entertainment is dedicated to bringing innovative sleep/music therapy to you and your children. Our CDs WORK! Sweet Dreams. Carol Peggy Carol Cartledge lives in Victorville California. She is owner and founder of CAT Entertainment. She established a successful Day Care business, which

she ran for 17 years. During this time, Carol realized a void in childrens music therapy. She, therefore, filled this void by creating her own unique childrens music therapy CD, Mommy, I Cant Sleep. Carol is currently working on her Associates Degree in Liberal Arts and Early Childhood Education. She travels around the Nation presenting workshops on a variety of Early Childhood topics. Peggy Miles lives in Payson, Arizona. She is the Marketing Director for CAT Entertainment. She has a B.S. Degree in Physical Education/Biology. She also has a Masters Degree in Educational Leadership and an Administration Certificate. Her second Masters Degree is in Human Relations/Counseling. She has spent the last thirteen years in the education field. She has worked as a Principal of an Elementary School, pre-school thru fifth grade, District Health Specialist, high school Physical Education/Health teacher and Sign language teacher at the Community College Level.
