Read what other folks have said about Big Tubba Mista: Smokin' Neo-Swing band! Check out their theme song, "Big Tubba Mista". Funky breaks, great horn section - a real riot!

swingdancemusic.com Smooth rhythms, a blast of solid horns, solid drum lines and great bass and guitar features blend with Johns liquid vocals to create a cocktail thats part swing, part rock, and part pure bliss. Sparechange Magazine The band is not content to sit back and give note-for-note renderings of classics, even though the style sometimes requires it. Whether ripping through classics like In the Mood or raunchier numbers like My Babys Puddin, Big Tubba Mista seems more interested in giving the music an edge and keeping it lively. Mode Magazine Formed back in 1997, Big Tubba Mista has released 3 CDs and a documentary DVD to date. Their first two CD's, "The Sting That's Swing" and "Knock One Back" sold over 15,000 copies combined. Big Tubba Mista has played at such notable Swing venues as The Derby in Hollywood, CA and the Supper Club in New York City. The boys have had their music aired on MTV and Showtime, and their music is featured on two Swing Compilations, "New Millenium Swing" and "Swing This Baby 3". Big Tubba Mista continues to actively perform throughout the East Coast-- catch em' at a live show soon!!
